Important Information

Due to Covid 19 restrictions, we have had to change the way that school works from September. We have put each year group into a different zone for their lessons. You will be taught in an area of specific classrooms for: English, Geography, History, Maths, RE and Science and your teachers will come to you so that you can follow a full timetable of subjects.

Year 11 Orange Zone

As a year group, you will be based in the Main Block (Rooms 7, 8, 9, 10, 11 and 12) for all your lessons (except Textiles, Product Design, Food and Nutrition, Hospitality and Catering, iMedia, Dance, Health and Social Care, Enterprise and Marketing, Music, Art and PE – you will be taught in specialist subject suites for these lessons). You will have your breaks and lunches in the Sports Hall and the Astro area and you will only use the toilets in the PE changing rooms. Your outside space is on the Astro area.

You must not enter other zones in school unless it is for one of your timetabled specialist subjects. (See map for Year 11 Orange Zone)

In class

- Make sure you always sit in your allocated seat.
- Keep your exercise books and equipment in your teaching base. (Don't take them home)
- Keep all your exercise books/whiteboard/reading book in the zip folder provided and make sure it is tidy.
- Organise all your marked work in your Folder of Excellence under the correct subject heading.
- Bring your writing equipment/homework/pupil planner with you every day.

Leaving School

At the end of the school day, you will be dismissed by your class teacher. This will be earlier than our normal time and this is so that we can make sure that not all the pupils are leaving at the same time.
