## LETTINGS GUIDANCE & POLICY

Date Document Created	Date approved by Governing Body	Date of next Policy Review
April 2020	July 2020	April 2021
Completed by: Sue Dewhurst	SCHOOL MANAGER	

### INTRODUCTION

The Governing Body should regard the school buildings and grounds as a community asset and should make every reasonable effort to enable them to be used as much as possible. However, the overriding aim of the Governing Body should be to support the school in providing the best possible education for its pupils, and any lettings of the premises to outside organisations should be considered with this in mind.

The school's delegated budget (which is provided for the education of its pupils) should not be used to subsidise lettings by community or commercial organisations. Charges should be levied to meet the additional costs incurred by the school in respect of lettings of the premises. Within this framework, schools may charge some organisations more than cost and subsidise other users provided that overall charges for community use at least cover additional costs.

### DEFINITION OF A LETTING

A letting may be defined as '*any use of the school premises (buildings and grounds) by either a community group (such as a local music group or football team), or a commercial organisation (such as a local branch of 'Weight Watchers')*'. A letting must not interfere with the primary activity of the school, which is to provide a high standard of education for all its pupils.

Use of premises for activities such as staff meetings, parents' meetings, Governing Body meetings and extra-curricular activities of pupils supervised by school staff, fall within the corporate life of the school. Costs arising from these uses are therefore a legitimate charge against the school's delegated budget.

### LETTINGS POLICY

The Governing Body is responsible for adopting a lettings policy for the use of the school premises. A draft policy is provided at Appendix A. This should be reviewed on an annual basis. Charges to be levied should include the following:

- Cost of services (heating and lighting);
- Cost of staffing (additional security, caretaking and cleaning) – including "on-costs";
- Cost of administration;
- Cost of "wear and tear";
- Cost of use of school equipment (if applicable);
- Profit element (if appropriate).

Where there are multiple lettings taking place at the same time, the costs for services and staffing may be shared between the organisations involved.

## **VAT**

In general, the lettings of rooms for non-sporting activities is exempt of VAT, whereas sports lettings are subject to VAT (although there are exemptions under certain circumstances). The VAT regulations for sports lettings are included in the lettings application form at Appendix B (para 5). Guidance can be found on the schools' Portal at: [https://schoolportal.lancsngfl.ac.uk/view\\_sp.asp?siteid=733&pageid=14399&e=e](https://schoolportal.lancsngfl.ac.uk/view_sp.asp?siteid=733&pageid=14399&e=e)

For further advice on VAT relating to lettings, please contact the County Council's VAT Team (Tel. 01772 534778).

## **INSURANCE**

The school must ensure that the Hirer has appropriate public liability insurance to cover all its legal liabilities for accidents resulting in injuries to persons (including all participants in the activity for which the premises are being hired), and/or loss of or damage to property, including the hired premises, arising out of the letting. The minimum limit for this insurance cover is £5 million. The hirer must produce the appropriate certificate of insurance cover before the letting can be confirmed.

Neither the school, nor the Local Education Authority, will be responsible for any injury to persons or damage to property arising out of the letting of the premises.

## **MANAGEMENT OF LETTINGS**

The Headteacher is responsible for the management of lettings, in accordance with the Governing Body's policy. Where appropriate, the Headteacher may delegate all or part of this responsibility to other members of staff, whilst retaining overall responsibility for the lettings process.

## **THE ADMINISTRATIVE PROCESS**

Organisations seeking to hire the school premises should approach the Headteacher (*or other designated member of staff*), who will identify their requirements and clarify the facilities available. A lettings application form (Appendix B) should be completed at this stage.

Once a letting has been approved, a letter of confirmation should be sent to the hirer, setting out full details of the letting and enclosing a copy of the terms and conditions of the hire agreement. The person applying to hire the premises will be invoiced for the cost of the letting, in accordance with the Governing Body's current scale of charges. (*Schools may wish to seek payment in advance in order to reduce any possible bad debts*).

All lettings fees, which are received by the school, should be paid in to the school's budget in order to offset the costs of services, staffing etc (which are funded from the school's delegated budget). Income and expenditure associated with lettings should be regularly monitored to ensure that at least a "break even" situation is being achieved.

For long-term lettings, application forms should also be reconsidered on an annual basis.

Appendix A

## **LETTINGS POLICY**

1. The Governing Body actively encourages community use of the school buildings. However, it reserves the right to refuse any lettings it may choose.
2. The hirer must be willing to meet with school officials and provide details of their aims and objectives.
3. The Governing Body will ensure that the school budget does not subsidise non-school activities and that all costs are recovered. Charges will be reviewed annually by the Governing Body.
4. Each hirer using the school will be required to nominate a contact person. Such a person is deemed to be in charge and able to investigate any difficulties which may arise.
5. The Governing Body will determine if a nominated person from school is required on site when the premises are being used. If not, a responsible person must be on call.
6. A Letting Application / Indemnity Form must be completed by all applicants. A signed copy of the application form, if approved by the school, will be returned to the hirer. For long term lettings application forms will be reviewed on an annual basis. +
7. No lettings will be approved giving the user exclusive possession. (note: this is a legal requirement, not to be confused with a sole letting)
8. Any hirer that uses the school must be adequately insured (with a minimum of £5m public liability insurance) and insurance documents must be attached to the application.
9. All hirers must comply with health and safety legislation.
10. The hirer is responsible for ensuring that DBS checks have been undertaken where appropriate.
11. Arrangements for the payment of each letting will be made in advance with the hirer concerned.
12. Smoking is not allowed on the premises in line with school policy.
13. Alcoholic Drinks –
  - a. An occasional licence must be obtained where appropriate. The Licensee is responsible for conduct of bar sales, etc.
  - b. No alcohol is to be stored or retained on the premises when pupils are in school.
